**PRELIMINARY REMARKS TO THE EXAMINER**

Sir:

This divisional application is being filed on even date herewith in a revised form to comport with the U.S. Patent and Trademark Office guidelines for specifications, and for purpose of publication of the application. In particular, the specification has been revised to add paragraph markers and a paragraph directed to the continuation information, as well as to add claims directed to the non-elected claims of parent application Serial No. 09/698,175(renumbered as claims 1-14 in the divisional). This letter is being provided to make the record clear for the Examiner. No new matter is believed to have been added.
